

CWC DEMOLITION PROJECTS PERFORMED IN THE LAST 15 + YEARS

SERVICE PERFORMED CATEGORIES

Highlighted projects listed below were performed either as a Prime or as Subcontractor to a General Contractor. Most work included demolition, handling of hazardous materials, and crushing operations while working in largely populated areas. Many of the buildings demolished were high-rise. All competitive bids. Projects listed are valued above \$100,000.

Project Name / Owner of Project	Approximate \$ Value	Amount of Material Crushed (tons)	Project Completion Date
